Sculpture Park Hugo Voeten

The Sculpture Park Hugo Voeten is situated at Hazenhout 17-19 in Geel.

From Antwerp:

On the E313 motorway you take exit 23 (Geel-West). At the end of the exit, turn left in the direction of Westerlo/Diest on the Grotesteenweg. At the intersection with the Tongerloseweg (cafe 't Galjoen will be on your right), turn left (in the direction of Liessel). Then take the first small road on your right; this is Hazenhout. After 200 meters the domain is situated on your right. It has two gates from which you take the latter one.
